Brand New Book ***** Print on Demand *****.WHAT READERS HAVE TO SAY: The topic itself is a breath of fresh air for the audience in this niche. The writer has taken a novel approach regarding saving and expenses. For a society which has an insatiable fixation with shortcuts and quick fixes, the perspective presented by this book is very vital and important. - Aditya P. I got invested in the reading and it carried me for the rest of the book. There are some very powerful ideas in there. - Corey A. I can't believe it took me 70 years to run into a book like this. I could not put the book down. I was impressed. I can't wait to give this to my kids and read it with my grandchildren. - Denny W. This is a book that I wished I had read in my college years so that I'd be more prepared with managing my finances/investments when I started working, but I'm glad that I now am able to pass on what I've learned from your book to my kids (5th 2nd grades) today, so thank you! - Amelia R. I almost felt as if all the talk about math, investment approaches, etc.- what I would consider the technical part of this book-was merely a foreword to what you really wanted to say.You are positing money, investment, and giving as vehicles for hope and healing and love. - Jane J.
