Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Muimeleli Mutangwa (illustrator). Large Print. Language: English . Brand New Book ***** Print on Demand *****.Katrina and Other Untold Stories is the juxtaposition of morally neutral non-fictional, fictional, comical, inspirational, socio-economic and political stories put together in a single collection. This book challenges conventional wisdom by offering a different perspective through the stories narrated in a unique and interesting style. It is the first of its own kind to afford a reader to engage in complex debates delivered through a conversational manner. The book exposes the reader to ideologies which include but not limited to patriarchy, feminism, sexism, class struggle, African belief system, Christianity and indigenous knowledge. This significant contribution to African literature is written in the context of Africa. The readership will not only be captivated by the stories, they will also be empowered, liberated and intellectually stimulated to the core. The language used in the book is easy to understand even for the first time readers.
