Touchstone. Paperback. Book Condition: New. Paperback. 266 pages. Dimensions: 8.2in. x 5.3in. x 0.9in. Devastating in its use of cold logic, (The Independent), the classic essay collection that expresses the freethinkers views to religion and challenges set notions in todays society from one of the most influential intellectual figures of the twentieth century. Dedicated as few men have been to the life of reason, Bertrand Russell has always been concerned with the basic questions to which religion also addresses itself questions about mans place in the universe and the nature of the good life, questions that involve life after death, morality, freedom, education, and sexual ethics. The book has been edited, with Lord Russells full approval and cooperation, by Professor Paul Edwards of the Philosophy Department of New York University. In an Appendix, Professor Edwards contributes a full account of the highly controversial Bertrand Russell Case of 1940, in which Russell was judicially declared unfit to teach philosophy at the College of the City of New York. Whether the reader shares or rejects Bertrand Russells views, he will find this book an invigorating challenge to set notions, a...
