Bernard Ballard, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You Are Energy You are energy being, imagining a dream in time. You are born into this physical world knowing this truth, but are taught that we are its opposite. This entire world, all your life experience is a product of thinking. This physical realm is a place where you can choose what you believe, and experience it as your life. The ego is that which challenges what is, what is challenging you to grow. The human being is the one who challenged life, in order to be and have what it desires. Meditation helps you to remember your truth. The only way to understand life, which creates or makes this dream illusion. It allows you to see, through an awakened consciousness the purpose of life in form. Time is the illusion, and is always relative. Stillness is absolute. The choice is: ego thoughts of separation, or divinity knowing unity as oneness. Why does divinity allow the illusion of separation? The dream. How can we transcend the belief in illusion, and awaken to truth? (Enlightened information explaining this physical reality). What keeps us away from truth s awakened consciousness manifest?.
