Aventine Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is it biblical to design the church service around the preferences of the unchurched? To the Purpose-Driven and seeker-sensitive megachurch, the answer is yes! Through inoffensive preaching and glitzy worship, these churches appeal deliberately to a fast-food generation in search of instant gratification. But does pop-music, drama skits, and short, ear-tickling messages disguised as church prostitute authentic ministry? Has the Church been held hostage by capitalism and hoodwinked by opinion polls, marketing pragmatism, self-help ideology, and therapeutic thinking? Written through the lens of Scripture, Fa\$-Food Churchianity provides a biblical response to this epidemic sweeping through contemporary evangelicalism in America.
