*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.*

ALFAGUARA INFANTIL, Mexico, 2016. Paperback. Condition: New. Language: Spanish . Brand New Book. Bomba Apestosa y Cara de Catsup viven en la pacifica y pequena isla de Gran Desbarajuste. Un dia, Bomba Apestosa se da cuenta de que un billete de diez libras ha desaparecido de su alcancia. Los tejones tomaron su billete, así que hermano y hermana se embarcan en una mision para tratar de encontrar a todos los tejones del reino y llevarlos ante la justicia. En el camino conocen al Rey y a muchos otros personajes, incluyendo a un carrito del super que habla. Una mezcla de actualidad y aventura caballerescas (con palacio, rey, guardias reales, bosque encantado, objetos magicos, gnomos, etc.). Con la estructura clasica de travesia para resolver un embrollo y la encomienda del rey, los heroes se topan con diversos obstaculos a superar y personajes a quienes ayudan y quienes les retribuyen colaborando con su mision, pero que solo llegan hasta cierto momento de la travesia, y los heroes continuan solos hasta que se encuentran con alguien mas, en otro episodio. English Description The story all begins when a badger steals Stinkbomb s tenner. Stinkbomb and his little sister Ketchup-Face go on a tour to see the king to try and ask for help. On the way, they meet some friends who try and help them stop the badgers being bad. But did the badgers actually steal Stinkbomb s tenner or was Stinkbomb fibbing? Read the book to find out! This book is hilarious. My favourite part is when the king says he is walking down a very long corridor and he is actually walking on the spot. After a few marches on the spot he turns round to a door that he was right next to, all the time! Another very good joke...
