One great misfortune which results from these considerations is the inclination to turn to cheap grades which are more readily disposed of at such a time or cause less regret if injured. Thereby we are losing some of the refining influences of acquiring and possessing the best. This applies especially to furniture and utensils, which ought to be bought as though they were to last a lifetime. There is a happy medium between the huge chests Medium of linen in former time which held supplies not used for years, yellowing with age, and the modern tendency of hand-to-mouth provision, satisfying only the weekly demand. There should be always a small emergency store of linen. Additions can be too easily made to require that it be very large. In fact, since it may be added to, usually, any day, the principal gain is realized by being able to buy better at certain seasons, as in January, than others, and the same 1 education in price by buying in quantity may be realized in this as in groceries. Dish toweling by the roll at 13 cents instead of 15 cents a yard, sheeting by the web or piece at a similar reduction, etc. , are illustrations of the benefits to be derived through such methods of buying. An especial reason for buying table linens in January, in addition to any attractive Requirements io HOUSEHOLD MANAGEMENT prices which may be found at...
