Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the summer of 1978, John Burchill was a bored and broke college dropout trying to survive in Munich, Germany. Desperate for money and hungry for adventure, John and his sidekick Pat Tiahrt decide to take an ill-advised job running used cars to Iran. Knowing full well that they were taking part in an illegal and potentially risky venture, they defied their parent s wishes and headed to Iran. On the dangerous journey to Iran, John and Pat find plenty of adventure and excitement until they are apprehended by Iranian authorities on their way home. At Razi Crossing, they make a most fateful mistake that lands them in prison for what could be upwards of five years of incarceration. To John, it seemed there was no way out as they faced almost certain...
