

Lessons in Music Form: A Manual of Analysis of the Structural Factors and Designs Employed in Musical Composition (Paperback)

By Percy Goetschius

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the FOREWORD THE present manual treats of the structural designs of musical composition, not of the styles or species of music. Read our AFTERWORD. It undertakes the thorough explanation of each design or form, from the smallest to the largest; and such comparison as serves to demonstrate the principle of natural evolution, in the operation of which the entire system originates. This explanation - be it well understood - is conducted solely with a view to the Analysis of musical works, and is not calculated to prepare the student for the application of form in practical composition. For the exhaustive exposition of the technical apparatus, the student must be referred to my Homophonic Forms. The present aim is to enable the student to recognize and trace the mental process of the composer in executing his task; to define each factor of the structural design, and its relation to every other factor and to the whole; to determine thus the synthetic meaning of the work, and thereby to increase not only his own appreciation, interest, and enjoyment of the very real beauties...
