YOU LL NEVER KNOW BOOK III: SOLDIER S HEART (HARDBACK)

Fantagraphics, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. In one of the most eagerly-anticipated graphic novels of 2012, *Soldier s Heart* concludes the story of Carol Tyler and her delving into her father s war experiences in a way that is both surprising and devastating -- and rather than trying to summarize this episode and thus possibly spoil it for readers, we prefer to simply offer a selection of comments on the first two installments of this autobiographical masterpiece. *Publishers Weekly: (Starred Review)* In the first volume of Tyler s planned trilogy of graphic memoirs, she dug into the eruptive, violent memories of her father s WWII experiences while simultaneously dealing with a husband who decided to go find himself and leave her with a daughter to raise. While the language of Chicago-raised and Cincinnati-based Tyler has a winningly self-deprecating Midwestern sparseness to it, her art is a lavishly prepared kaleidoscope of watercolors and finely etched drawings, all composed to look like the greatest family photo album of all time. The story s honest self-revelations and humane evocations of family dramas are tremendously moving. Tyler s book could well leave readers simultaneously eager to see the third volume, but also nervous about the traumas, home front and war front, that it might contain. Booklist: Tyler s fluid, expressive...
