## Strategy in Innovation

By Dr. Sheila Embry

Lentz Leadership Institute, LLC. Paperback. Condition: New. 208 pages. Dimensions: 8.1in. x 5.2in. x 1.0in. The Refractive Thinker Press celebrates the accomplishments of doctoral scholars to provide a forum for sharing expertise and introducing new lines of thought designed to extend knowledge and expand our view of the world. The Refractive Thinker series highlights the ability of doctoral scholars to bend and converge thought and to shift perspective from complexity to new solutions from academia and business. The goal is to ask and reflect on the right questions in search of effective solutions, to dare to think differently, to find new application of theory which may ultimately lead others to follow, and to perhaps risk forging a new path entirely. The refractive thinker looks toward possibilities, existing without boundaries, well beyond the event horizon, feeling ones mind and problem solving abilities to be limitless. This is where true problem solving and its creators exist. The goal of this volume is to offer additional business solutions with regard to strategy in innovation with different, unique, and often never before explored pathways of thought. Volume V authors provide readers tip of the arrow type thinking that challenges prevailing wisdom and conventional thought. Topics...
