Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: Italian . Brand New Book ***** Print on Demand *****.Marco Polo was an Italian merchant, explorer, and writer, born in the Republic of Venice. His travels are recorded in *Livres des merveilles du monde* (Book of the Marvels of the World, also known as *The Travels of Marco Polo*, c. 1300), a book that described to Europeans the wealth and great size of China, its capital Peking, and other Asian cities and countries. He learned the mercantile trade from his father and his uncle, Niccolò and Maffeo, who travelled through Asia and met Kublai Khan. In 1269, they returned to Venice to meet Marco for the first time. The three of them embarked on an epic journey to Asia, returning after 24 years to find Venice at war with Genoa; Marco was imprisoned and dictated his stories to a cellmate. He was released in 1299, became a wealthy merchant, married, and had three children. He died in 1324 and was buried in the church of San Lorenzo in Venice. Marco Polo was not the first European to reach China (see *Europeans in Medieval China*), but he was the first to leave a detailed chronicle of his experience. This book inspired Christopher Columbus and many other travellers. There is a substantial literature based on Polo's writings; he also influenced European cartography, leading to the introduction of the Fra Mauro map. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is...
