

Lange QA Psychiatry (Paperback)

By Sean Blitzstein

McGraw-Hill Education - Europe, United States, 2016. Paperback. Condition: New. 11th edition. Language: English . Brand New Book. The most thorough psychiatry review available for the USMLE Step 2 CK and psychiatry clerkship exam - completely updated to reflect the DSM-5. Covering all of the clerkship s core competencies, LANGE QA Psychiatry delivers more than 800 exam-style questions and answers with concise but comprehensive explanations of correct and incorrect answer options. The Eleventh Edition of this this trusted review simulates the USMLE Step 2 CK test-taking experience by delivering multiple-step clinical vignette questions and updates on the latest therapies for psychiatric diseases and disorders. Questions are carefully selected to match the style and difficulty level of what students will face on the test. You can: Boost your score with a thorough review of the clerkship s core competencies * Build confidence and assess your knowledge with 800+ USMLE-style questions; Understand why answers are correct or incorrect with detailed explanations; Prepare with questions that have been thoroughly updated to match the difficulty level and content of the exam; Review one subject at a time to pinpoint your strengths and weaknesses; Bolster your preparation with two comprehensive practice exams, each with more...

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mazie Johns IV**

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at at any moment of your respective time (that's what catalogs are for about should you request me).
