

Our Color Our Kind: A Male Bedside Reader

By Luther Wallace

AuthorHouse. Paperback. Condition: New. 200 pages. Dimensions: 9.0in. x 5.8in. x 0.6in. Our color but not our Kind, is an expression heard over the years from various sources in the African American community. What exactly does it mean Does it mean that there are people of the same of similar hue but o f different value If we truly believe the tenet of the worlds major religions, we are all equal in the sigh of God. As a result, the title of the presented works became Our Color Our Kind. Each entry in the collection is reflective of the book title. Rage Noir, for example, began as a short story with a different title. After receiving feedback from valued reviewers it became quite clear that the story couldnt be told in such an abbreviated format. In trying to tell a fairly well known story influenced by the coincidence of color in cases involving middle-class African American families, serious crime and the derivation of those crimes that start as an innocuous misunderstanding, the deep seeded cultural rage that has festered for hundreds of years required a bit more exposition, thus, the novella that begins the collection. Mack Daddy is a scamp who...
