Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

Cornerstone, United Kingdom, 2013. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. Desiree White was walking through the fields of winter wheat and oilseed rape when she saw it. She picked the newspaper bundle out of the ditch and took it to the phone box. Across the baby s tiny body she could see a faint tattoo of Lady Di s face where some of the newsprint had rubbed off. It was like finding a featherless bird fallen out of its nest. No-one had ever bothered much about Desiree but now everyone is interested in her, in what she saw, in who the parents might be and why they d dump a baby. As years go by and everyone else moves on with their lives, Desiree feels stuck, unable to forget what she saw that day. But when she starts to make connections which bring the truth dangerously close to home, it seems that some secrets are best left alone.
