Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

So Drake takes on one last kill job - and things only get worse for him when he discovers his victim was just a kid. Suddenly, Drake's on everyone's bad list. His only friends are an archdemon trapped inside an ancient artefact, and Trixie, who smokes too much and happens to be as close to a fallen angel as you can get before you're Lucifer himself. And unfortunately for Drake, Lucifer's around too. And he's mad as hell.
