Eight seconds for a man to die. Eight seconds for your world to change. On the fourteenth anniversary of his fathers death, a mysterious stranger sits beside Charlton Creswick at the station. Moments later, the man throws himself into the path of an incoming train, but not before a letter falls from his pocket; a letter with a strange symbol connected to Charltons past. Meanwhile, at an upscale rehabilitation clinic, a young soldier is being treated for memory loss. But when he examines the journal he has been keeping of his recovery, he discovers something impossible: hes been in two places at once. Before long, the two are bound together by a secret buried in time, and must navigate the complex relationship between a prominent and influential British politician, the enterprising criminal family that runs Londons underworld, and a shadowy organisation that will stop at nothing to protect and continue their research. Clever, scintillating and suspenseful, ALL THE KINGS HORSES is the thrilling debut of the Mantis trilogy by upcoming storyteller, Kyle Slade. This item ships from La Vergne, TN. Paperback.
