

English Visible Speech: In Twelve Lessons Illustrated (Paperback)

By Alexander Melville Bell

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Illustrated. Language: English . Brand New Book ***** Print on Demand *****. From the Introduction. ONE of the original claims of Visible Speech was to teach reading in a fraction of the time required with common letters. By means of this little book, the claim may now be put to the test of experiment. Children and others who master these Twelve Lessons will read with accuracy and certainty, any English composition printed in the same alphabet. The system is not intended to displace established letters, but to be a key to their pronunciation. For this purpose, Visible Speech is equally applicable to all languages. The present work is limited to English. Visible Speech offers unquestionable advantages to the young, in laying a foundation for excellence both in native speaking and in the utterance of foreign tongues. Foreigners will learn from these directive letters to articulate our language with vernacular effect. That so many persons fail to pronounce certain elementary sounds, is owing solely to the want of that knowledge which Visible Speech conveys. To deaf learners these lessons will be of especial value, in greatly facilitating the acquirement of the...
