Annick Press Ltd, Canada, 2000. Paperback. Book Condition: New. Ruth Ohi (illustrator). 300 x 236 mm. Language: English . Brand New Book. A gentle story about a brave little boy and his goat who, after many wrong turns, meet a baby giant in need of their help. In order to fully capture the size of the giants, *Two So Small* features an extra-large fold-out picture at the story's end. A long time ago, a boy sets out to visit his grandmother. His father sternly warns him against leaving their small land, giving him specific directions to Grandmother's house: under the bridge, around the trees, left at the big rock, in front of the waterfall, and over the hill. The boy hitches his goat to the cart and they are on their way. When they reach the bridge, he can't remember the right way. He asks his goat, but she is nibbling sweet grass and doesn't answer. Beside her, he finds something long and round like a rope and puts it into the cart, and off they go over the bridge. Next they come to some trees. Here he discovers something round and shiny like a dinner plate. Into the cart he places it and off they continue through the trees. At last they reach a big rock and again, the boy can't remember the way and the goat provides no help! But there, on the ground, is something pointed and colorful like a tent. He folds it up and puts it in the cart. At the waterfall, they discover something squishy and lumpy like a jellyfish and add it to their growing collection of souvenirs. Things are beginning to become peculiar as enormous weeds surround them and the trees are taller than any near home...
