CULTURAL COMPETENCE FOR GLOBAL MANAGEMENT

Paperback. Condition: New. 178 pages. Culture is the way of life of a group of people, which includes knowledge, beliefs, arts, morals, customs, and other capabilities and habits acquired by them as members of a particular society. The global integration and interaction in business, governance and shared international problems involve different cultures, thereby creating high levels of cultural diversity in workplaces, in interactions, and around negotiation tables. The global environments entail that those individuals from different races and cultures; with..
