Excerpt from A Lecture on the Republics of the Western Hemisphere, and the Monroe Doctrine Delivered in the Cooper Institute, N. Y., September 5th, 1866 Fellow Citizens - That is the language Of the history, the genius, and the destiny of the peoples of the Western. Hemi Sphere; and the first aurora borealis OF liberty s light, was shot UP from its northern horison, - that light extended and expanded until it illumined the Southern Cross. Then followed the thundering hey-note of Independence, whose reverberations did not cease, until it mingled its sound with the tremendous roarings Of the loftiest volcanoes of the Andes.
