

Jobs and Career Paths in Financial Sector

By Ross Cameron

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book will provide you with the information you need to decide if a career in finance is right for you, and help you narrow down your options within the finance field. The tutorial will begin by providing background information on the financial industry, including an overview of various qualifications and credentials that are commonly found in the industry and the main types of institutions that employ finance workers. After this introductory material, the tutorial will move on to discuss specific roles, such as investment banker, trader or portfolio manager. In each of these sections, you will find information on where jobs are, as well as on the career path and qualifications often necessary to find a job. Each section will also provide a brief sketch of what the different jobs entail. While you won't find everything you need to make a career choice in this tutorial, you should find enough information to provide you with a good starting point towards narrowing your focus on what type of finance job might be right for...
