The Economics Bible: The Definitive Guide to the Science of Wealth, Money and World Finance (Paperback)

By Tejvan Pettinger

FIREFLY BOOKS, 2017. Paperback. Condition: New. Language: English . Brand New Book. The models and mechanics of economics that drive the world of money. The Economics Bible is a fully illustrated introduction to a field in which even specialists rarely concur. It presents seemingly unmanageable concepts in easy, bite-size pieces to make complex concepts easy to understand. The economic theories that have shaped nations for centuries and influence the way we live now become clear. History would tell us that economics has always been relevant. However, as America and the world enter a time of great political and financial unrest, it is critical that we understand how the forces driving the world economy work -- and how the political decisions that were made affect it. From Keynesian models developed during the Depression to how inflation occurs and its effect on interest rates, The Economics Bible makes global finance more easily understood. The subjects include: Macro-(market-driven) and micro-(citizen-driven) economics Inflation (rising prices, wages, hyper-inflation) Recession (slow or negative economic growth) Economic forecasting (pundits predictions, often wrong) How stock markets work (buying and selling, what is the index) The Chicago School (free-market economic philosophy) Globalization (the growth of multinational corporations) Labor markets...
