Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Worry is a plague on society. We worry about everything. We worry all the time. We see so many bad things happening, and so many of them seem so random. How can we know something like that won't happen to us or a loved-one? Pastor L. Craig Harris shows, through Scripture, how God truly is in control, even though we often don't understand what He is up to. We will see life in new perspective and realize we can trust him each and every day. We can free ourselves from worry!.
