Exurban Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Can a person be transformed by the power of love - even if they come from another planet? Jack Teufel arrives in a flash of light in the middle of a bitter Midwest winter. He comes, he insists, from the Skein, a intelligent network that cobwebs the universe. Jack prepares for his role on earth by studying cable TV, the Internet, and other media so he can broadcast interactions with humans to a vast pan-galactic audience for whom humans are the funniest species in the universe . and the sexiest. Populated by a host of memorable characters, FOAM is wildly satirical as well as deeply touching. This unusual book may shock you, will make you laugh, and may challenge your reality - but you will never forget it. Before it was fashionable, Richard Thieme wrote about technology in his online column, Islands in the Clickstream, reaching thousands in sixty countries. He has spoken around the world for hundreds of audiences, including the NSA, the FBI, the Secret Service, the Pentagon, Microsoft, Johnson Controls, Medtronic, and GE. When a friend at NSA warned that, The only way you can tell the truth is through fiction, he returned to writing stories, 19 of which are collected in Mind Games. He was a contributing author to the critically extolled UFOs and Government: A Historical Inquiry, a research project hailed as a triumph of sober, conscientious scholarship unlikely to be equaled for years to come. He has lived in diverse cultures and altered states while creating personas on the page and stage and off. He lives in Milwaukee WI with his wife Shirley.
