In Lowell Tarling s funny Taylor s Troubles, Tommy Taylor is in his first year at secondary school, in the middle of every misfortune in his class, forever hoping for the best, but fearing the worst. The Oxford Companion To Australian Children s Literature A very funny Australian story.thoroughly recommended. Victorian Association for the Teaching of English Humour, frustration, intrigue and not a little curiosity about the opposite sex. Newcastle Herald Taylor s Troubles is permeated with school atmosphere. The slapstick humour of young students, the classroom antics and frustrated teachers will ring true for many readers. This book demonstrates peer group pressure very well. It also shows how children respond to teachers, their own cliques and to others who may be different. Upper primary - Lower secondary.
