University Press of Florida, United States, 2007. Paperback. Condition: New. Second Edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. For Florida hikers, vacationers, outdoor enthusiasts, and wildlife watchers who want to plan and execute their own adventures, this second edition of the popular guide-book will be indispensable. Molloy and Friend explore the trails of Florida to provide readers with an easy-to-use, accurate, and thorough guide to hiking in more than 2 million acres of federally owned wilderness. These areas contain some of the Sunshine State's most spectacular scenery. Illustrated with photographs by the authors, this guide describes every marked and maintained trail in Florida's national forests, parks, and preserves. Each description contains a profile of the path, detailing and rating its condition, length, and difficulty and describing the highlights and hazards of the trail. Profiles also give trailhead directions, trail connections, and hiking season information, followed by a running narrative describing what hikers can expect to see and experience on the trails. This updated edition covers large and small changes in the trails since 2000, most notably the new western corridor of the Florida Trail through Ocala National Forest and the storm-driven changes to...

### Reviews

*This composed pdf is fantastic. It normally will not expense too much. You will like how the writer write this publication.*

-- **Dr. Jerald Hansen**

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).*
