PRINCIPLES OF BUSINESS SUCCESS (PAPERBACK)

Fastpencil Inc, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The main difference between powerhouse business leaders and their mildly successful cousins is not intelligence or hard-work or even business savvy; the secret is all in the mindset and approach these men and women embody within their respective businesses. They realize that success comes from paying attention to things that most people overlook, such as setting goals, keeping an open mind and building an inner circle. Those are just some of the traits that separate the leaders from the followers; the successful from those just getting by. In Principles of Business Success, Gino Yazdianian will describe to you what these overlooked principles are, and why you need to practice them in order to leap ahead in these competitive times. As successful as you currently are, you re missing out on valuable techniques to advance yourself if you pass this book by.
