

Poems of Panama, and Other Verse: Founded Upon Adventures in the Wanderings of One of Nature s Nomads (Classic Reprint) (Paperback)

By George Warburton Lewis

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Poems of Panama, and Other Verse: Founded Upon Adventures in the Wanderings of One of Nature s Nomads Along came the little war with Spain. What a brisk, dramatic little war it was! Not much now adays, true, when war is made by machinery, with a card system. But it took the young fellows of the nineties away to lands full of color and strange ness, and opened up a new era for them and for us. It is good to look back, if you are old enough, and remember the spirit of that time. George W. Lewis was one of the young fellows out in Kansas. He must have read Kipling, for the brass band can be heard in his verses. And he must have dreamed about the far, strange places, for when the chance came he enlisted and went away to the tropics, and has been in the tropics pretty much ever since.
