

## Alternative Facts (Paperback)

By Abrams Noterie

Abrams, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Record your to-do list, or your won t do list. Jot down your thoughts, note your lack of ideas. Keep track of your dreams and collect your nightmares. And always remember: the facts are whatever you want them to be. On January 22, two days into the Trump presidency, White House senior advisor Kellyanne Conway appeared on Meet the Press and claimed that the administration was offering alternative facts to their false assertions about the crowd size at Trump s inauguration. Conway, inadvertently but brilliantly, summarized Trump: his penchant for exaggeration and self-aggrandizing. Alternative facts indeed. After a tumultuous two days of inauguration activities and a massive, worldwide Women s March protest, Conway s remarks struck a chord, or rather a dissonant note, with the press and social media, who reacted with scathing commentary and biting memes. In response, this journal, with a grain-embossed cover and foil stamping, offers individuals an opportunity to collect and record in writing their own alternative facts. All royalties from the sale of this journal will be donated to ProPublica, an independent, nonprofit newsroom that produces investigative journalism in the public interest.
