Reviews

This pdf is worth buying. It is actually written in basic words and not confusing. It has been printed in a remarkably basic way in fact it is merely following what I finished reading this publication through which really altered me, affect the way I really believe.

Bettylynn Stoops, 2018. Paperback. Condition: New. Kim Monteforte (illustrator). Language: English . Brand New Book ***** Print on Demand *****.The proceeds from this book will be contributed to NGO Service Organizations towards directed special projects as designated by the author. The lack of engagement and influence are the top two issues in work and community. Awesomeness Now! Guides the reader through the vision Leader-Teachers to co-create and transform projects and people who influence and make a difference in the world of work and life. The Mission to create a network of networks of Leader-Teacher Influencers who ignite their awesomeness, their non-negotiable to make a difference in the world one step at a time. The world needs those who are willing to engage in a meaningful way that influences decision making, creates more focussed attention to outcomes and success as community and business align with values that shape our behaviour and our thinking in the world today. Leader-teachers help people/society begin to move from a rules-based compliance model of living to a values based caring model of sustainability. My goal is to provide this book as a mechanism, a catalyst, a fund raiser for Not for Profits and Service organizations to get the book into the hands of business and personal contacts who are interested in team and personal and professional brilliance. This opens the door to those who are seeking something more in their life than routine and survival in a world that is battle ready. Faith stands in the doorway of the lost and found waiting for the rightful owner to reclaim that which was lost or set aside along the way. Courage arises before confidence appears! Every child is born with a seed of greatness! I asked John Travolta what he would do now to increase his personal...
