

Island Fog

By John Vanderslice

Lavender Ink, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This thematic, novel-length collection of stories, is set on Nantucket Island, Massachusetts. Nantucket as we know it began as an English settlement relatively early in the colonial period of the United States. In the heyday of its nineteenth century success as a whaling center, the island, for being as small as it is, was quite the cosmopolitan center. Sailors from across the globe mingled with the mixed local population of descendents of the original English settlers, black Americans, and native Americans. Today too Nantucket is known as being especially open to visitors from around the world. When one travels there, one feels that one is no longer in the United States but in a culturally indistinct, in-between land, somehow equidistant from North America, the Caribbean, and Northern Europe.
