Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Steven Thorn and Caitlin Chance are meant to be together. At least, when they first fell in love it seemed inevitable. But love is sometimes not enough. It makes them act irrationally, it tests family loyalties, breaks and makes friendships, and causes physical and mental pain. Yet, without love, Steven and Caitlin are lost. As they return to the community and discover the possibilities open to them, all is not what they hoped. Steven has impacted the lives of many since he was discovered, and the choices he made have led to events beyond anyone s control. Love brought Steven and Caitlin together and fate is playing with their emotions, constantly undermining their willpower and determination. In the game of love, destiny is always the winner. As continued from Complications, Vanessa Wester takes you back to the Amazon as Steven and Caitlin return to the community and try to figure out their future.
