ENDANGERED ANIMALS COLOR AND LEARN BOOK: THE COLORING BOOK FOR KIDS WHO LOVE ENDANGERED ANIMALS (PAPERBACK)

Wet Cat Ebooks, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This coloring book was created by Jonni Good, an author and illustrator who is fanatic about animals. She created this coloring book for kids just like her - kids who love to read and learn new things, who love to draw and paint, and, most importantly, who love animals. The drawings in this book were created to make coloring fun, and young artists (and adults who love to color) will be proud of their finished artwork. While coloring and painting the drawings, they will also learn about the animals, and find out why they re endangered. At the bottom of each page is a section called Something to Think About, which could start some very interesting conversations at home and school. Middle school students who enjoy reading will learn a lot about these animals, and what we can all do to help save them. Younger kids will enjoy coloring the pictures, but they ll need help understanding the ideas in the text.
