### **Reviews**

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

## THE ART OF THERAPY

XLIBRIS. Paperback. Condition: New. 118 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. THE ART OF THERAPY Offers a practical approach to the therapists task, from the perspective of a 35-year veteran of private practice. This book debunks some of the most traditional rituals and hidebound conventions of the consulting-room, for example the myth of confidentiality, the master-slave relationship of therapist to client, and the tendency of therapy to continue until the client runs out of money to pay for it. New techniques and intervention strategies are presented, drawn from the Mental Research Institutes international view of problem causation and solution-oriented methods of change. Psychotherapy is an art. Good therapy is good art. Great therapy is everlasting art, like the Mona Lisa. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
