iUniverse, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the early morning hours of December 31, 2010, Dr. Cornelius H. Evans and his wife received a terrible phone call: their son, Bryant, had been shot and killed. The agonizing days that followed brought Evans face-to-face with the realization that evil had touched his family's life, sending him on a quest to try to understand the role evil plays in our world. Deeply emotional and heartfelt, *Surviving Evil in a Depraved Society* offers insight into how Evans dealt with the loss of his son by analyzing the root of violence in America-evil. He examines various theories on evil and its origin, its effects on mankind, and how, according to the Christian belief, evil will remain a part of our society until Christ returns. Evans also challenges ideologies, philosophical beliefs, and theologies on whether one can avoid evil elements. He demonstrates that we can be on our guard against inviting evil into our lives by spiritually guarding ourselves and raising our children with a strong moral foundation. An eye-opening look at the face of evil, *Surviving Evil in a Depraved Society* offers hope for living in today's world.
