

KAP of Nurses Towards Emergency Contraception

By Kidane Ayele Gebrehiwot

LAP Lambert Academic Publishing Feb 2012, 2012. Taschenbuch. Book Condition: Neu. 221x149x7 mm. This item is printed on demand - Print on Demand Neuware - Nurses constitute the highest proportion of health care providers. Their role in the administration of ECs includes provision of quality reproductive health care and dispensing EC materials for the needy. In this study it was observed that knowledge of emergency contraceptions has positive relation with educational qualification and on job training. Whereas attitude and practice were neutral to sociodemographic characteristic. To insure the quality of reproductive health care in general and that of emergency contraceptives in particular, on job training of nurse is indispensable. 56 pp. Englisch.
