Reviews

The book is fantastic and great. It normally will not cost an excessive amount of. I am just easily could possibly get a satisfaction of reading a published ebook.
(Edgar Witting)

Melodrama Publishing, 2010. Paperback. Condition: New. Language: English . Brand New Book. Brooklyn empress Cartier knows the streets of Brooklyn like nobody s business. In fact, she successfully built her Cartier Cartel drug ring on the code of the streets, hustling and stacking paper. However, the life of crime is wearing her down, and she s ready to quit the game when two of her Cartel soldiers are gunned down in the same streets that fattened her bankroll. Now she s hell bent on seeking revenge for her friends, and she and her most loyal set out to solve the hood s whodunit. Along the way, tempers flare and love is tested as her prince steps out of line and sleeps with the enemy. Devastation reigns supreme in the streets of Brooklyn, while Cartier is constantly looking over her shoulder, wondering who will be the next to stab her in the back.
