

Adventures in Distant and Remote Places: A Memoir (Paperback)

By William E Lemanski

Sunbury Press, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This memoir by William E. Lemanski, award winning author of *Lost in the Shadow of Fame*, covers some of his many adventurous travels in war, sailing, fishing and big game hunting. Spanning well over forty years, Lemanski discusses hunting trips across North America from New Mexico to arctic Canada as well as pursuing some of the dangerous game of Africa. A graphic and poignant picture is portrayed of the night-time hostilities around Saigon during the Vietnam War and its emotional impact on a plane load of young paratroopers. His sailing adventures will convey the excitement and danger he and his friends experienced while braving a severe storm far out at sea in a small sailboat. These and other adventures will entertain and excite those of a kindred spirit with an interest in unusual travel - far from the beaten path.
