

The Idea of Justice in Political Economy (Paperback)

Filesize: 1.07 MB

Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Sienna Fay Jr.)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Schmoller's primarily inductive approach, requesting careful study, comparative in time and space, of economic performance and phenomena generally, his focus on the evolution of economic processes and institutions, and his insistence on the cultural specificity of economics and the centrality of values in shaping economic exchanges stand in stark contrast to some classical and most neoclassical economists, so that he and his school fell out of the mainstream of economics by the 1930s, being replaced in Germany by the successor Freiburg school. However, it is often overlooked that Schmoller's primary preoccupation in his lifetime was not with economic method but with economic and social policy to address the challenges posed by rapid industrialization and urbanization. That is, Schmoller was first and foremost a social reformer. As such, Schmoller's influence extended throughout Europe, to the Progressive movement in the United States, and to social reformers in Meiji Japan. His most prominent non-German students and followers included William J. Ashley, W.E.B. Du Bois, Richard T. Ely, Noburu Kanai, Albion W. Small, and E.R.A. Seligman.
