

Building a Successful High School Sports Program (Paperback)

By Deangelo Wisner

Dark River, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whatever sport you coach, building a successful sports program can be an enormous, sometimes daunting, task filled with many responsibilities and demands. Questions and decisions wait around every corner, often pulling a coach away from long-term considerations. How can you build a program when daily challenges require your attention? In reality, those daily challenges form some of the building blocks and foundations to any program. As a coach, you have the opportunity every day to showcase your critical thinking, creativity, player-management skills, philosophy, integrity, and character with every decision you make. In Building a Successful High School Sports Program, former High School Soccer Coach DeAngelo Wisner addresses the fundamentals of building a successful High School program. He covers numerous topic areas including how to choose team players, bringing them together, managing expectations, how to define success, working with administrators and colleagues, tracking progress, dealing with personal adversity, and much more. The book also includes contributions from a dozen highly successful High School coaches and Athletic Directors who offer decades of real-world wisdom and high-value advice. The book's foreword is by one of the...
