Our society is full of individuals who have given up hope of finding romantic fulfillment. It almost seems like a law of nature that the one you want never wants you back, while the ones who are interested in you are simply incapable of steering your feelings towards them. Love forever seems like the air; we know it's there, we can breathe it, but we can never actually capture it. Hi I'm Stephenie the author of No Strings: The Ultimate Guide to Love and Dating. . Throughout my life I have struggled and achieved BOTH love and romance. Together with the help of my loving husband I have unlocked the door to my fairy tale ending. It's my hope that through this book you too will experience what we now have: a WONDERFUL Christ centered relationship.
