## MAGIKS: THE CRAZY ART OF L AURA

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Magiks collects 106 pages of great art and sketches from Laura Livi, who has been a professional for almost ten years and brought to life the ideas of writers all around the world, providing illustrations in the fields of fantasy, science-fiction, children art and classical literature. She is one of those artists whose talent is to take a concept and turn in even something more. More imaginative, ironic and beautiful, no matter how that same concept looked perfect at the beginning, in her hands it is always perfected. She never ever refused a challenge, on the contrary challenges fuel her spirit with energy I seldom witnessed in other artists. All art is commented by Laura herself providing insight on how a specific project started, or an illustration come to her mind, just looking at the world around her. As the senior artist at Blue Monkey Studio, she had her share of sleepless nights working both on classical and innovative topics: the Snow Queen, Oz, a new Approach to Alice in Wonderland, A Survival Guide to Barsoom, Tolkien s Silmarillion and the Hobbit, fairy tales and science fiction stories inspired by Ninetieth Century Italian literature, just top mention a few. The only thing that was missing was a book collecting her beautiful art.not anymore. Her finished pencils and watercolors are something to die for.
