iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For eighteen years, it had been just Tommy Murphy and his mother. His father was out of the picture. When his mother died, she left two letters; one telling him the name of his father and another explaining the son to his father. The young man travels to New York City to meet his father, the famed heavyweight boxer, Bruiser Hunter, but an unforeseen accident prevented that meeting. The boxer s brother disappeared without a trace and was presumed dead. Overcome by grief, Bruiser dropped out of sight without telling anyone. Paddy O Shay, his great-uncle, took the young man under his wing and began training him to be a boxer like his father. He knew Bruiser would contact him eventually. Six months later, they were still waiting when fate stepped in and the whole family was reunited in the small town of Spencer City, Connecticut. Can two strangers have a normal father and son relationship? Breanna Cone credits her Irish ancestry with the gift of gab that helps her spin this tale of the special relationship between a father and child. Regardless of your age, the love of a parent is a priceless gift indeed. Coming in Fall 2006: Romancing Delilah.
