My security comes from my senses, my sensing the direction I should go and suddenly I felt out of tune, out of step with what other people wanted or what other people expected of me. - Kim Novak A lot of ink has been spilled covering the lives of history s most influential figures, but how much of the forest is lost for the trees? In Charles River Editors American Legends series, readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. From the moment the film industry became a burgeoning business that offered actresses an opportunity to seek fame and fortune, millions of girls across America have dreamed of making it big on screen, despite the long odds against them. And yet, among the few that have catapulted to superstardom, few did it as quickly, effortlessly,...
