Ballantine Books Random House US Jul 2016, 2016. Taschenbuch. Condition: Neu. Neuware - Survival is the name of the game as the line blurs between reality TV and reality itself in Alexandra Oliva's fast-paced novel of suspense. She wanted an adventure. She never imagined it would go this far. It begins with a reality TV show. Twelve contestants are sent into the woods to face challenges that will test the limits of their endurance. While they are out there, something terrible happens-but how widespread is the destruction, and has it occurred naturally or is it man-made Cut off from society, the contestants know nothing of it. When one of them-a young woman the show's producers call Zoo-stumbles across the devastation, she can imagine only that it is part of the game. Alone and disoriented, Zoo is heavy with doubt regarding the life-and husband-she left behind, but she refuses to quit. Staggering countless miles across unfamiliar territory, Zoo must summon all her survival skills-and learn new ones as she goes. But as her emotional and physical reserves dwindle, she grasps that the real world might have been altered in terrifying ways-and her ability to parse the charade will be either her triumph or her undoing.
