## DIGIMON FRONTIER

DOWNLOAD

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Digimon Frontier is the 4th Digimon TV series first broadcast in 2002. After prompted to do so by unusual phone messages, the five main characters go to a subway station and take a train to the Digital World. Once there, they meet two secondary characters, Bokomon and Neemon, who act as guides, and tell the DigiDestined that the Digital World is in danger. They must fight the antagonist, Cherubimon and his Legendary Warrior servants before they succeed in dominating the world; it's up to the children to save it. Unlike previous series, where the protagonists had their own Digimon, the DigiDestined actually transform into Digimon themselves, with each DigiDestined having a Human Spirit form and a Beast Spirit form. 84 pp. Englisch.
