## ELEGANTIAE LATINAE: OR, RULES AND EXERCISES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Elegantiae Latinae: Or, Rules and Exercises It has been my principal care to simplify, or wholly to remove from this edition, those difficulties, which, notwithstanding the general approbation with which this work has been received, must be acknowledged to have existed in the former editions. When the Scholar is first introduced into this book of exercises, he should be allowed to omit the sentences which are marked with an asterisk, and confine himself to the easier and less intricate examples. The second time he travels over the same field, he will be equal to the more difficult passages, to which the asterisk is prefixed, and to the whole range of Latin composition. When a boy has gone through these exercises a second time, he may be safely presumed to have made no small proficiency in writing Latin. I have witnessed the most pleasing proofs of this assertion. It is presumed that this edition embraces every thing within the scope of research, which was likely to contribute to the elegant formation of style, every thing by which a sentence spargalur, irrigetur, perfundatur. As the rules for the structure of a regular Period, which is so essential to good Latinity, could not be so easily reduced to practical illustration, an acquaintance with them will chiefly rest on the scholars own study and observation, aided by the masters direction and superintendence; but a close examination of the rules and the few examples which accompany them, will be sufficient to imprint them on his mind.
