Brand New Book ***** Print on Demand *****.Forever is a long time-and that is how long Starfire will live with the man she chooses as her love. It is also what causes her to struggle with an already difficult decision. Jerick is a love-stricken man who has been pining for Starfire's companionship, in one form or another, for centuries. At one point, they were supposed to marry each other, but it ended tragically, and Jerick's mother rescued his shattered being to preserve it inside a glass tomb in her keep, safely hidden beneath the surface of the ocean. This was his punishment for spending an eternity wanting only Starfire and no one else. However, Jerick has the ability to enter the dreamscape, and Starfire once again senses his presence entering her mind, stirring the old feelings from deep within. Jacy, on the other hand, is an honorable family man. He and Starfire have a young daughter, who rides atop his shoulders as they stroll along a beach. The three of them have no idea that a powerful foe lurks in the depths nearby, waiting for the perfect opportunity to confront them. Jerick's mother is searching for the power to free her son from his icy prison, and she believes that Starfire might be the answer. Unsure, she secretly collects the blood of Starfire's young daughter with the hope that it will be potent enough to release his bonds. It fails. His silence is broken, but he is not free. Distraught, she returns and threatens Starfire herself. She must give up Jacy, free Jerick, and bond with him in eternal union-or Jerick's mother will destroy all of human life. Starfire must...
