Phoenix Books, 2006. Soft cover. Condition: New. Revised and updated-Let's face it, just because I stick out my tongue a lot and spit fire doesn't mean I have any qualifications to advise anyone on relationship, money, or career issues. I don't. Yet I've lived with a beautiful woman for twenty years with never a cross word between us, in a relationship based on honesty and full disclosure. I've amassed a fortune -- and expert business people work for me. And for three decades I've been in KISS -- a band that has scaled the heights and broken every possible record, from album sales to touring to merchandising and licensing. What I have and have always had (thanks in full to my mother's wisdom) is an abiding faith in me. Call it a life philosophy: a philosophy about money (mine!) and happiness (mine again). It works for me. It can work for you!.
